

18 May 2018

Dear Parent/Carer

Data Protection and Privacy Notice

As you will probably be aware, the law is changing around data protection. From 25 May the new law, known as the General Data Protection Regulation or GDPR, will replace the Data Protection Act 1998. There will be new rules around the storage and handling of personal data.

We have produced a privacy notice to inform you what pupil information we collect, what we do with it and why, and to tell you who we might share the information with. It also tells you what to do if you want to see a copy of the information we hold about your child, and who to contact if you have any questions.

You will also be able to find this information on the academy website.

Yours faithfully

Emma Farmer
Five Rivers MAT Director of Business Strategy
and Data Lead for the Trust
