King Edward VII School Celebrating Success!

Mykyle Ahmed is in Year 10 at King Edward VII School. He attended Firs Hill Primary School before joining King Edward VII School.

Mykyle won the England Boxing Junior title at 38-40kg, competing against other boxers that are above his age group. This is a phenomenal achievement and he will now be going on to represent England.

Mykyle is currently completing his GCSE qualifications and is working hard to balance his boxing training alongside his studies. Mykyle has an interest in engineering, which is one of the subjects he is currently studying at King Edward VII School, and would like to pursue this as a career in the future.

A wonderful achievement!

We wish him continued success in the future.
